

If you are one of those Social media and tech savvy Gen Y's who LOVES everything facebook, Instagram, blogging, new technologies, taking photos and videos and creating content... then we would love to hear from you.

We have one of the best lifestyle roles you could ever find, situated in Bali, communicating with women 18 – 54 visually and with inspirational messages of love, kindness, encouragement, fun, spiritual, blissfulness. You need to be able to do this visually and with carefully selected wording and attention to detail. No spelling mistakes.

You need to be an early adopter, someone who lives and breathes all things new technologies, who loves beauty and understands how to communicate to the world electronically.

Even though you may be young, you have an old soul and truly feel one of your life's missions is to empower women.

If you are just looking to run away to Bali and focus on yourself through yoga and an avid social life, then please note this job is NOT for you. We are looking for a humble yet exciting individual who truly believes in 'giving back', who is excited about being a part of our Bliss team first and foremost and who will go above and beyond to create amazing, thoughtful, mature, inspirational content and continuously contribute selflessly.

You need to be that person that geeks out on new technology, yet you are a forerunner on creating and finding amazing content that people can connect and relate to.

Required Skills:

Proven Facebook, Instagram, Twitter, Youtube, Snapchat, Pinterest accounts and blogs with like minded content to ours.

An understanding of the newest technologies and strategies for social media.

A Photographic background with your own professional photographic gear and a gorgeous collection of images be it personal or professional.

You need to be adept in photoshop &/or other editing and visual programs.

You need to understand video and have made your own videos either personally or professionally.

You must ...
